## 2nd ANNUAL THREE-DAY RESIDENTIAL WORKSHOP STRUCTURING INNOVATIVE ISLAMIC FINANCIAL PRODUCTS

Friday 8th - Sunday 10th August, 2008.

### About the workshop

The 2nd workshop continues to focus on innovation in Islamic finance structures and the underlying techniques evolving in the modern economy. In the recent past, there have been tremendous developments in Islamic structures products, fund of different types (hedge funds, private equity funds and multiple asset class platforms), capital market structures and retail corporate and investment banking products. The workshop aims at introducing the participants to these continuing developments in an interactive environment. Specific examples of different types of structure will allow the participants to develop skill for innovation in Islamic finance.

### Trainers:

**Dr Humayon Dar**, CEO BMB Islamic

**Dr Adnan Aziz**, Head of Sharia Advisory & Structuring BMB Islamic

**Dr Dominic Selwood**, General Counsel BMB Advisors

2007 Workshop

2007 Workshop

*"The workshop is a must for every professional keen to understand Islamic Finance and its underlying structure. It paints a clear picture of Sharia'a compliant products, including surrounding issues such as legal implementation, and examines latest developments in the sector. With a strong focus on innovation, it is highly recommendable to everybody working in this industry."*

Natalie Schoon. Head of Product Development, Bank of London and the Middle East ( Participant 2007 Workshop)

*"A very timely workshop in a fast-moving industry. The tutors were excellent with precise and concise explanations. Not only they touched the basic of Islamic finance but managed to cover lot of grounds on continuing progress as well as thought provoking innovations. The residential nature of the workshop allows for networkings and participants to share diverse thoughts and ideas on the development of the markets. First rate!"*

Nazim Mohammad Nor, CIMB Bank Berhad ( Participant 2007 Workshop)
